Dear Sir:

I am in receipt of your letter of January 5th, and have put off answering until now, as I wanted the baseball picture for 1945 to clear up a little before going ahead with plans.

We are planning now to go to training camp the last of March or the first of April and I am definitely planning on you being with the team. All expenses are paid while you are in Camp, and room and board while you are on the road during the season.

Write and let me know what salary you are asking for. I know Jimmy has told you the men on this team are treated very nicely.

Please let me hear from you soon, as I must get my plans underway soon now.

Very Truly Yours
